

News from the Mission Field

Betty Chou, Go and Love Foundation: It's been more than 10 years since the Go and Love Foundation started the "Light the Way" Financial Aid Program in China. It helps elementary aged students overcome the financial burden of pursuing higher education. In addition, Go and Love Foundation has also been serving children in poverty in Myanmar since 2018. Please continue praying for the Home of Hope in Myanmar and that children would come to know Christ.
